## WATER SHORTAGE **NEAR DANGER LINE** ASSERTS WINSTON

Imperative That All Wasting of Supply Be Stopped, Director Says

CONDITION MUCH WORSE THAN HE EVER IMAGINED

Machinery Needs Complete Overhauling-Plans 50,000,-000 Gallons Extra for

City's Center

By GEORGE NOX McCAIN

"Philadelphia's water system and supply are in a critical condition." said Director Winston, of the Department of Works, this morning.
"I am bending every effort to avert a water famine, which would be a calamity. In company with Chief Davis I have had conferences with the Mayor

I have had conferences with the Mayor on this subject, and he is with us to the limit."

"What seems to be the matter with the water system?" I inquired.

"Pretty much everything," was the reply. "Our supply is inadequate. The city needs more water. In addition, much of the pumping machinery, though not altogether dilapidated, requires complete overhauling. Until this can be done the fear of a water shortage is constantly present.

city needs more water. In addition, much of the pumping machinery, though not altogether dilapidated, requires complete overhauling. Until this can be done the fear of a water shortage is constantly present.

"The danger is far greater than tever imagined. We are at the danger line of supply with no reserve force. I want the public to appreciate this. We are using what facilities we have at our command and are doing the best we can. But the public should know the worst, and I can't paint the situation in dark enough colors.

About the same time Mayor Moore's attitude toward the appointment became public. Krause went before the commissioners to defend his record and prove his worth of the position.

The hearing was scheduled for 11 of close to renew Strause's livelence of the absence of Robert G. Kearney, clerk of the license court, which refused to renew Strause's livelence of the control of the commissioners to defend his record and prove his worth of the position.

# NAMING OF KRAUSE

He Also Attacks Five Other Appointments as Unnecessary Expenditures of Money

LINKS VARES WITH JOB

Mayor Moore today repudiated the appointment of Rudolph Krause. former saloonkeeper, to a job as children's agent under the county commis-

The appointment of five other mcn to similar positions also was attacked by the Mayor as an unnecessary expenditure of taxpayers' money and proof of the charge that the commissioners' office is a damping ground for Vare political heelers.

About the same time Mayor Moore's attitude toward the appointment became public. Krause went before the came public. Krause went before the commissioners to defend his record and the Mayor as an unnecessary expen- bility.

Women With Evidence

Mrs. Cohen-Polak, executive question unless it is his own settlement, secretary of the Big Sisters, and Miss Cecilin P. Bass, counsel, were at the base been that he would have no lengue of nations unless it was exactly the county commissioners' office, armed with hearing, which is being held in the county commissioners' office, armed with evidence to bear out the charge.

Among other things, they had an affidayli from Mrs. A. B. Flanagan, mother of the fourteen-year-old girl, which the charged would prove that which they claimed would prove that Krause knew minors were obtaining in-

toxicants in his saloon. The Methodist Episcopal Ministers' Association today passed a resolution calling upon the commissioners to in-Association today passed a resolution calling upon the commissioners to investigate every angle of the charges against Krause and to recall his appointment at once if they are well-founded.

Adviatic efforts of the alied premier lies undoubtedly his anger over the Grey note. Mr. Wilson will not forgive Lloyd founded.

The Mayor made his statement against toleration upon Lloyd George's attempt Krause the occasion for a verbal attosettle the unsettled Adriatic questack on the commissioners and the tion.

and of the appointment of five addirecorder of deeds.

Didn't Call Off Big Sisters

Max Mayer, chief of the Bureau of Weights and Measures, was conspicuous about the hearing-room today. It was reported he was there to "call off" the Big Sisters. He did not succeed. Mayer is a Vare leader in the Thirteenth ward. Thirteenth ward.

The forcing through of the Krause produtment is said to be a pet scheme Dayld H. Lane, Vare leader of the wentieth ward, who was said to have en determined on this plan to show power to the administration. Political friends of Krause contend that his former connection with the saloon business could not be consistently held against him. They point out that his duties would consist of investigate ing the parents of children sent to homes

Krause, it is said, had arranged to regard to the settlement of Adriatic reduce character witnesses who will deare that he is litted for the post to Krause, it is said, had arranged to produce character witnesses who will declare that he is litted for the post to which he has been appointed.

It was reported that on hearing of the storm of criticism against him Krause decided not to accept the job, but was told by a powerful political leader to stick to the post.

Boston, Feb. 16.—(By A. P.)—The shipping board steamer Red Mountain, disabled and adrift in a heavy gale about 1000 miles east of New York, expected assistance today from the steamship Elmsporr, also a shipping board vessel, according to radio messages intercepted here.

Withdraw From All European Affairs

London, Feb. 16.-(By A. P.)-The The Entente premiers have drawn up a reply to President Wilson's objections on the proposed Adriatic. compromise.

The Allies, it is said, while conforming to their stand, have opened the way for further negotiations.

President Wilson in his note did not threaten American withdrawal from European affairs, but proposed withdrawal from Adriatic

By the Associated Press

Paris, Feb. 16.-President Wilson's note on the Adriatic problam has stirred-Europe. The allied premiers have drawn up a reply which has not yet been dispatched.

President Wilson's note is not considered in French official circles as an ultimatum, it was declared today by a foreign office official. On such partial information as was obtainable yesterday, the Paris press construed the note as meaning that France and Great Britain must change their attitude on that question or the United States would withdraw from all connection with European affairs. European affairs.

European affairs.

The official view is that, rather than an ultimatum, the note is simply a renewal of direct neg tiations by the United States. The reply of the Allies, represented in the press here as a categoric maintenance of their attitude by Great Britain and France, was described by the foreign office official supervises as a statement of the cial as merely a continuonce

While the version of the Allies' reply to President Wilson given most credence here is that it is a simple maintenance of their viewpoint, it is stated on good authority that it is really an invitation to continue negotiations with the fiew
